

WHY US?

Blue Sky Sisterhood specializes in helping mothers and their teen daughters work together to make inspired and empowered life and career choices. We believe that magic happens where vision meets action, so we're committed to equipping girls with the skills they need to develop an actionable plan for a bright future.

SERVICES

- **Vision** - Creative problem-solving, decision-making, self-awareness, and intuition
- **Value** - Change and risk tolerance, communication, and negotiation skills
- **Viability** - Planning, organization, discernment, follow-through, and leadership skills

DIFFERENTIATORS

- **3V Framework** - gives our girls not only the "WHAT" but also the "HOW" to step into their futures with excitement and confidence.
- **Immersive, live experience & virtual community** - free and open to all, *plus* an opportunity to continue on in a paid membership for ongoing support and expansion.
- **Mothers & daughters** - receive support individually *and* as pairs to strengthen their relationship and improve their communication from the inside, out.
